22 nd November 2020	The Sheep and the Goats	Green	Serve Jesus by serving others.
Bible verse: - Matthew 25:31-46			
<p>In this story we are given the goal to be a servant. To help one another because when we help others, we are in fact helping Jesus. It talks about many other things like Jesus returning and the choice that some people make not to be helpful and what might happen to them.</p> <p>However, if we work towards being helpful for Jesus then we have nothing to worry about. How can we be helpful? Well we might help lonely children in the playground, or a classmate who has fallen over. We might give a toy for Christmas to a girl or boy whose family isn't able to give them one. We can pray for others that they might find the help they need or that God will show us people we know who we can help.</p> <p>Let's try to be the sheep that Jesus talks about in this story and know that we are serving Jesus too.</p>
