As the parents or guardians responsible for the child being presented for Baptism we confirm that we understand that Baptism is the rite of initiation into the Christian faith and that we intend to guide our child to become a confident Christian who practises their faith and is engaged with the wider community in compassionate action for the common good.

We give permission for the Cathedral parish to contact us from time to time to offer advice, resources and other information to assist us as Christian parents.

This form can be completed and return to the Cathedral office at your earliest convenience or given to the priest at the interview prior to the Baptism.
